ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Winslow Public Housing Department is providing both the Low Rent Public Housing program and the Housing Choice Voucher program. Staffing for the two programs is shared with charges assigned on a pro-rata basis.

We have evaluated the Voucher Homeownership Program and find that we do not have the capacity to adequately administer this program.

In the past, the agency has also operated the Public Housing Drug Elimination Program (PHDEP). In cooperation with the Winslow Police Department, we provided increased security and direct access to assigned patrol officers for Public Housing residents. Due to cancellation of this program, these services will not be offered any longer.

Due to changes in public assistance programs, such as TANF, most residents in Public Housing are working full-time, not necessarily at a single job. As a result they have little interest in "community involvement" such as service on a Resident Advisory Board (RAB), preferring to spend their scarce discretionary time with their families. Interest in the RAB has therefore dwindled to the point that there are no residents willing to serve. We have therefore notified all residents that they are effectively on an ad hoc board and we share all planned activities and reports with the entire population, soliciting their input. We received no resident comments on this year's agency plan.

In light of the declining funding for operations from HUD, it has been necessary to apply the entire capital fund to operations. Fortunately, we have completed extensive major projects over the past 5 years, including re-roofing all units and re-painting Northwest Square. This leaves no anticipated major projects which cannot be accomplished with force account labor for the next 10 years.

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

and commitments: (describe below)

24 CFR Part 903.7(r)

Not Applicable

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

Addition or deletion of planned projects in excess of \$25,000 will constitute substantial deviation and be subject to full hearing and HUD review.

B. Significant Amendment or Modification to the Annual Plan:

Amendment or modification of planned projects in excess of \$25,000 will constitute significant amendment or modification and be subject to full hearing and HUD review.

Attachment A Supporting Documents Available for Review

PHAs are to indicate which documents are available for public review by placing a mark in the "Applicable & On Display" column in the appropriate rows. All listed documents must be on display if applicable to the program activities conducted by the PHA.

Required Attachment <u>E</u> : Membership of the Resident Advisory Board or Boards

List members of the Resident Advisory Board or Boards: (If the list would be unreasonably long, list organizations represented or otherwise provide a description sufficient to identify how members are chosen.)

We have been unable to develop adequate interest to seat a Resident Advisory Board. Since HUD requires such a board, we sought direction from HUD. They advised that we might appoint the entire resident body as the Resident Board.

On 5/31/01 we notified all residents that they were members of the Resident Advisory Board. We further notified them that we would share all notices, requests, and plans for their comments prior to implementation.

We have followed this policy and published all planned activities, policy changes, and planning processes to all residents.
